Philosophy

Mi piace immaginare la casa come uno specchio che riflette la storia, la cultura e il gusto di chi vi dimora. E' il luogo dell'identità che ci ricorda chi siamo. Ieri e oggi. E' da questa idea che nasce l'ambizione di creare elementi d'arredo che hanno, oltre a comodità e qualità, la forza di portare armonia e bellezza nelle stanze in cui si vive quotidianamente. In questo nuovo catalogo Marac racconta la sua storia, in cui il design moderno si coniuga sapientemente con dettagli classici, trovando l'equilibrio perfetto per ottenere collezioni sempre attuali.

La scelta di un divano e una poltrona Marac è come una luce accesa oltre la porta: dice che sei arrivato a casa, e stai bene.

I like to imagine a home as a mirror that reflects the history, culture and taste of those that live there.

It is a place of identity, which reminds us of who we are, today and yesterday. This idea spawned the ambition to create furniture that, in addition to offering comfort and quality, also brought energy, harmony and tranquillity into the spaces where we spend our daily lives. In this new catalogue, Marac tells its story – in which modern design is skilfully combined with classic details, and where the perfect balance leads to collections that are always up-to-date. Choosing a sofa or armchair from Marac is like a light on the door: it shows us we are at home... And we feel wonderful.

Ich mag es, mir ein Haus oder eine Wohnung als Spiegel vorzustellen, welcher die Geschichte, die Kultur und den Geschmack derjenigen wiederspiegelt, die dort wohnen. Es ist ein Ort der Identität, der uns daran erinnert, wer wir sind. Gestern und heute. Aus dieser Idee heraus ist der Ehrgeiz entstanden, Einrichtungselemente zu schaffen, welche zusätzlich zum Komfort und zur Qualität auch Kraft, Harmonie und Ruhe in die Räume bringen, in denen wir jeden Tag leben. In diesem neuen Katalog erzählt Marac seine Geschichte, in der modernes Design geschickt mit klassischen Details kombiniert wird und wo die perfekte Balance zu immer aktuellen Kollektionen führt. Ein Sofa oder ein Sessel von Marac auszuwählen hat dieselbe Wirkung, als würden wir das Licht im Hauseingang einschalten: Es zeigt uns, dass wir zuhause angekommen sind! Und wir fühlen uns wunderbar.

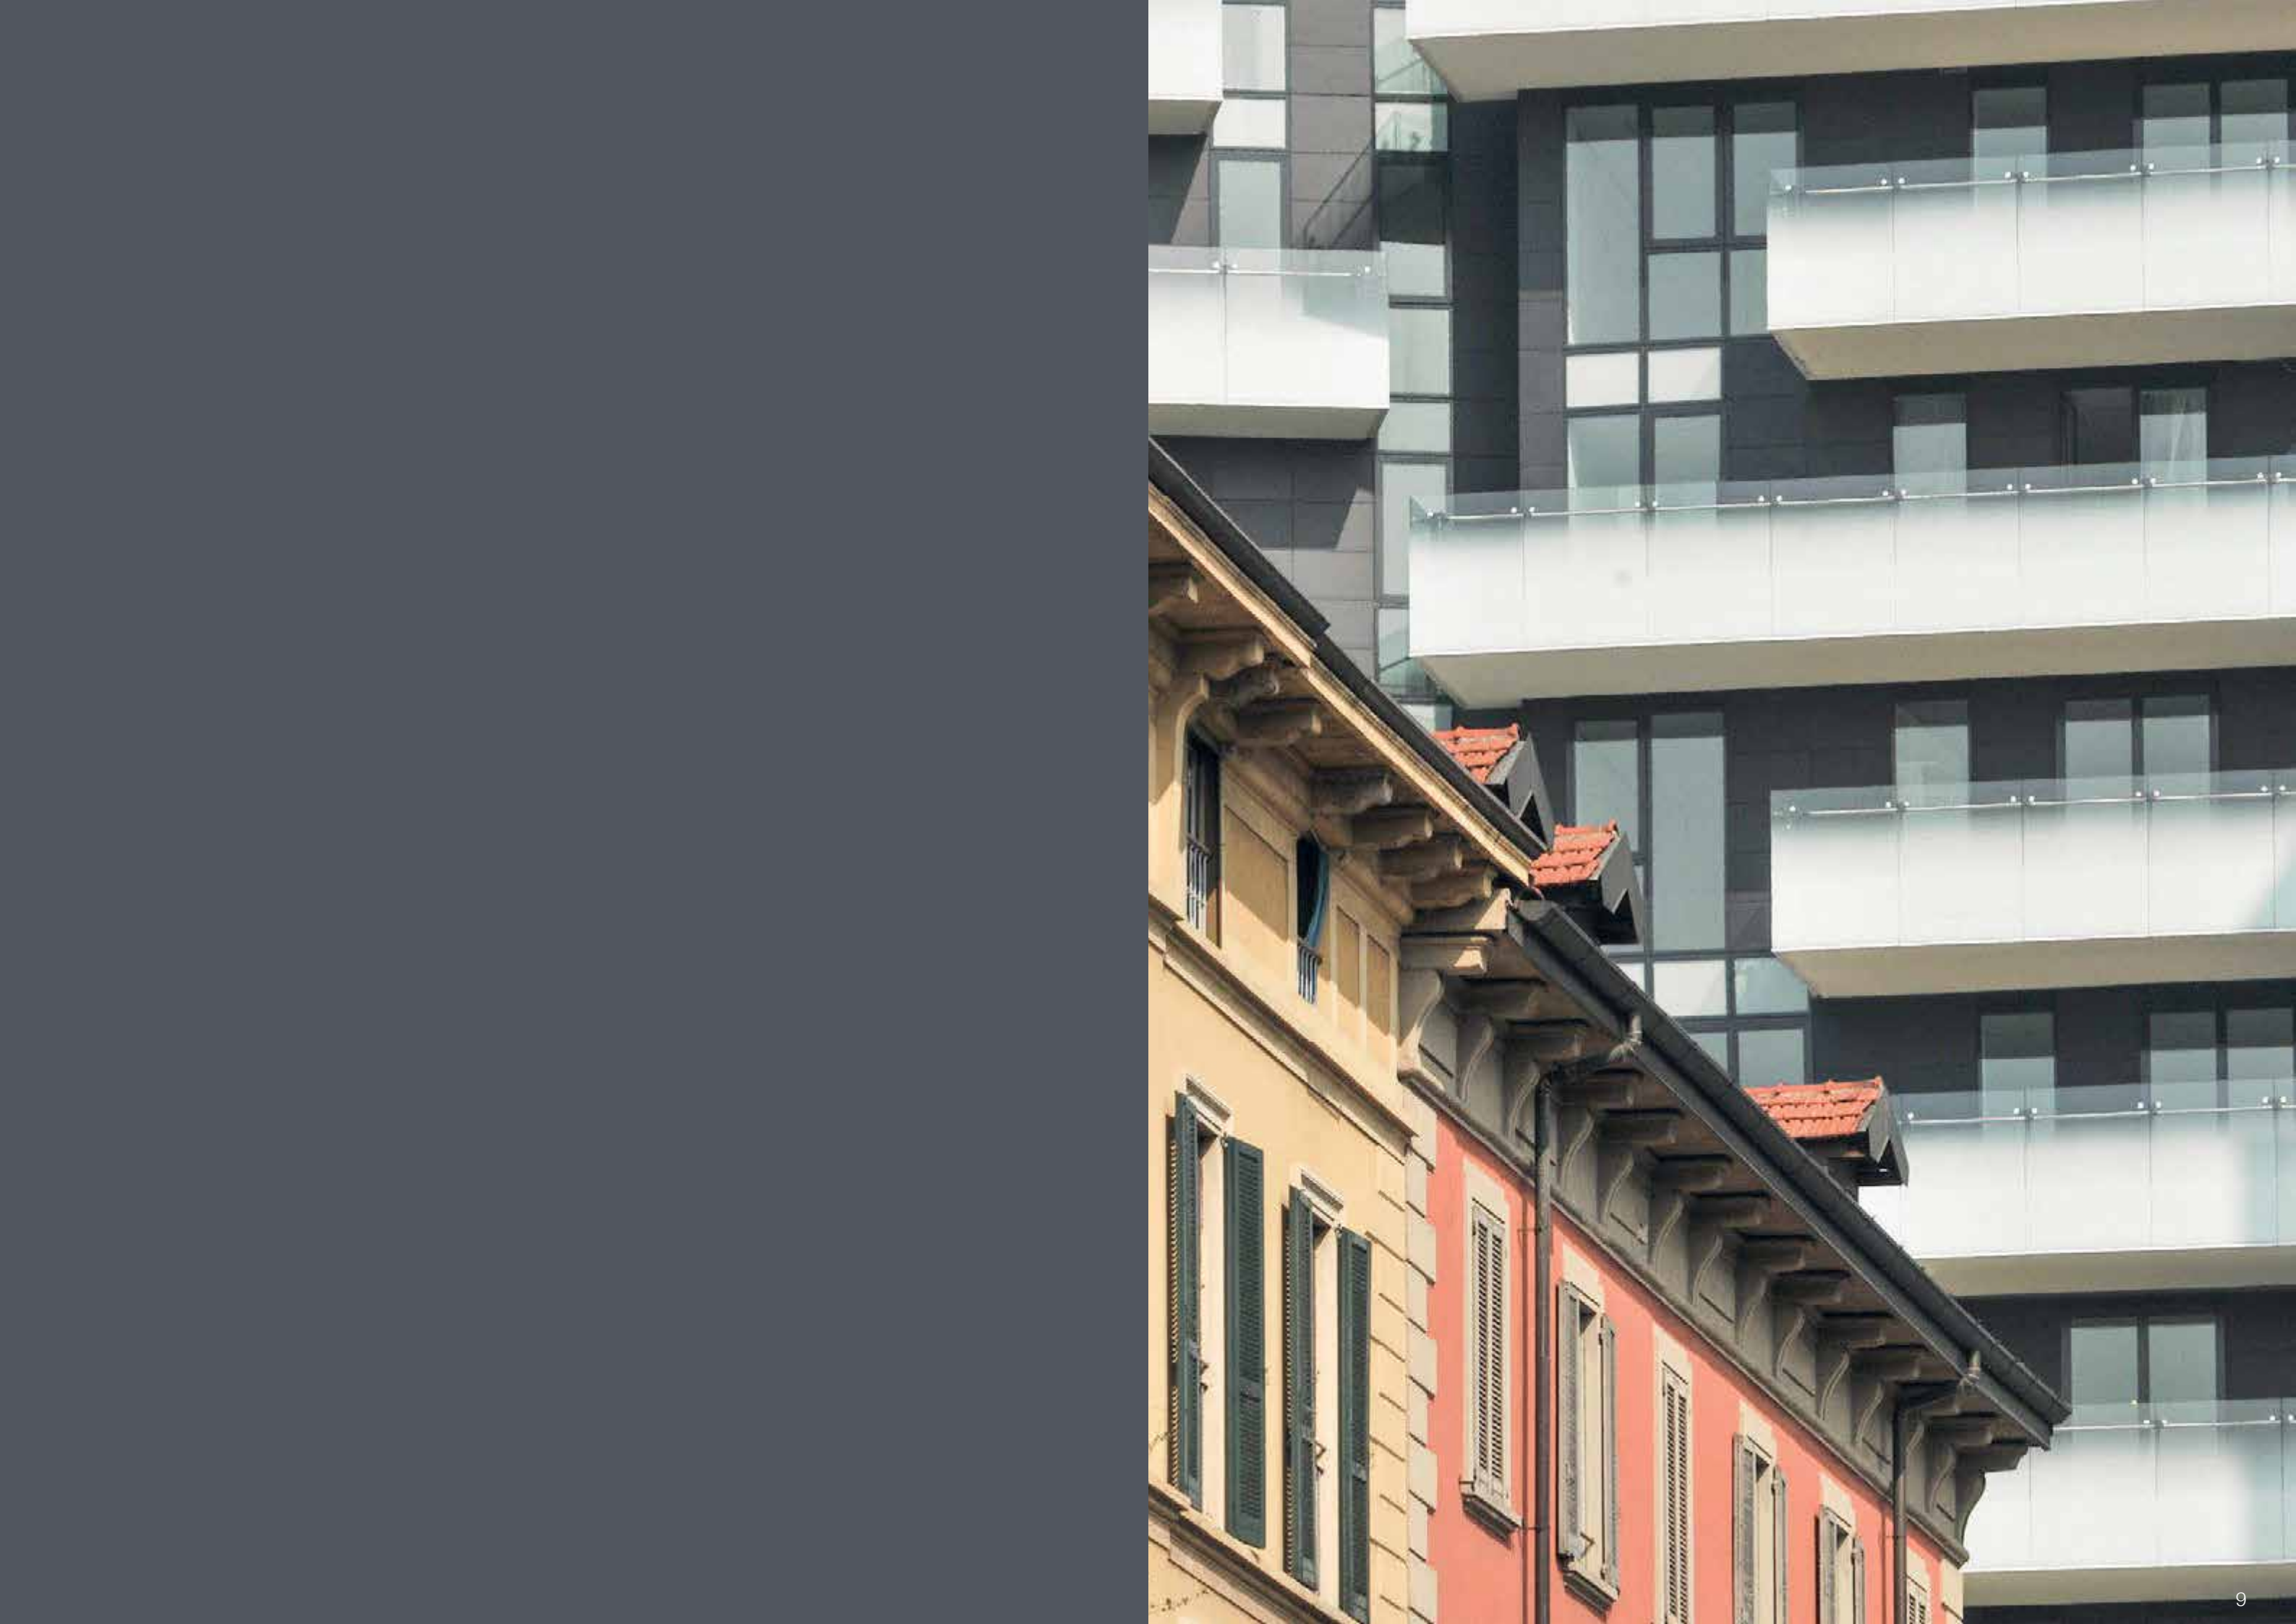

Quality

Tante abili mani hanno creato una lunga e nobile storia di forme, tradotte in irripetibili e individuali Espressività. Il culto di una radicata e irrinunciabile Tradizione impernata sulla Qualità ha disegnato prodotti contrassegnati dalla cultura del Tempo e da una leggibile e ricercata sensibilità del Presente. A suggellare l'incontro tra un selezionato e colto consumatore e i prestigiosi valori confezionati da Marac è infine l'Emozione cioè quel feeling indispensabile con l'oggetto che farà parte della vita quotidiana.

Many skilled hands created a long and noble history of forms, translated into unique and individual expressions. The respect of an ingrained and resolute tradition focused on quality designed products marked by the culture of the time, a readable and refined sensibility to the present. To seal the match between a select and educated customer and the prestigious values of Marac is finally emotion, that indispensable feeling towards an object that will be part of everyday life.

Zahlreiche geschickte Hände haben eine lange Geschichte von Formen mit individueller und unverwechselbarer Ausdruckskraft geschaffen. Eine auf Qualität gestützte Tradition hat Produkte hervorgebracht, die von Zeitkultur und von sichtbarem Verständnis für die Gegenwart gekennzeichnet sind. Die Begegnung eines besonderen, kultivierten Kunden mit den von Marac geschaffenen, eindrucksvollen Produkten und die spezielle Verbindung zu einem Objekt des täglichen Lebens wird von Emotion verkörpert.
