*"Eri qui quando sei arrivato,
resterai qui quando te ne andrai"*

*"You were here when you came,
and you will stay here when you leave"*

Si dice che l'uomo moderno sia colui che è capace di dialogare
con le nuvole tenendo i piedi ben piantati per terra.

Vittorio Marelli è sempre stato così.

Fantasia e concretezza, che insieme alla passione ed alla perseveranza,
diventano la miscela magica capace di prendere per mano un'idea
e condurla al suo compimento.

Una vita dedicata ad immaginare e creare divani e poltrone.
Un lavoro lungo mezzo secolo, guidato da un solo dogma:
qualità, bellezza e cultura, sempre.

Seguire la luce del suo sguardo, appassionato
e fiero, sarà il modo per dire Grazie.

They say a modern man has his head in the clouds
and his feet firmly on the ground.

Vittorio Marelli was always like this.

A fusion of imagination and practicality, when combined with passion
and persistence, generates the magnetic force capable of grasping
an idea and guiding it toward its realization.

A life dedicated to imagining and crafting sofas and armchairs.
A labor of love that has lasted for half a century, defined and directed by a steadfast principle:
excellence, aesthetics, and culture, without exception.

Following the light of his gaze, passionate and proud,
will be the way to say Thank you.
